

“Turning hindsight into foresight”

Critical Chain
Project Management
Open Programmes

*“It had a very significant impact, very quickly!
It’s phenomenal”*

Dr Linda Bell - MD
Servomex Group Limited

“We did it, it’s working!”

Den Pierce
Rohm & Haas

Complete projects on time?
Stay within budget?
Never need to reduce scope?
More projects faster with the same resources?

Sounds too good to be true?

Find out how you and your organisation can achieve these results

- Gain an in depth understanding of the approach
- Learn the steps for immediate application
- How to gain the support of your team and senior management
- Evaluate the range of supporting software tools on the market

“Includes evening dinner with implementation experts who can offer advice and guidance”

“Improved profitability through reality based management”

CEO
Abbott Laboratories
